# The Perfect Setting for the Perfect Day...

Congratulations and we hope to welcome you for  
your big day here to The Vestry.

Originally built in 1845, we are a fully licensed wedding venue and can offer you a complete day package of ceremony, wedding breakfast and evening party or any elements of it independently.

We are committed to helping you create the perfect day and have a wealth of experience to help you throughout.

# THE VENUE

---

Spread beautifully over two floors of an old church, our stunning venue has been lovingly renovated to include many original features like our stained glass window and vaulted roof. In particular, our first floor dining room can be manoeuvred to suit the size of your party and requirements.

# THE DAY

---

Our dedicated team of professionals can cater up to 150 sit down guests and our Executive Chef will work with you to ensure you have a fantastic 3 course meal to accompany your special day.

# THE PARTY

---

Once finished and the speeches have met with rapturous applause, it is now time for the evening guests to arrive and enjoy the party giving you the flexibility to do everything under one roof.

Whether you want a cocktail reception with our experienced bartenders, a band, a DJ, or a singer, we have the lot. The Venue is yours to choose how you want the evening to go.
